Sponsorship

Asia-Pacific Institute of Advanced Research (APIAR) always welcomes any kind of sponsorship. APIAR believes that it is a great opportunity for sponsors to enhance their visibility and to reach academics, researchers, consultants and members of the business community from around the world. In our conference '1st Asia Pacific Conference on Contemporary Education (APCCE -2017)' we are expecting delegates from around 20 countries. APIAR strongly encourages potential sponsors to participate in APCCE-2017 for the excellent exposure their organisations will receive. The number of contributions necessary to become a sponsor is negotiable.

APIAR offers three different types of sponsoring opportunities as follows:

- **GOLD Sponsorship**
- **SILVER Sponsorship**
- **BRONZE Sponsorship**

APIAR SCHOLARSHIPS:

APIAR is delighted to announce a competition for excellent academic papers

Entries will be judged on the quality of the paper, including the presentation. Only full paper presenters in the conference are qualified to apply. The winner will receive the cost of the air fare and accommodation for the next conference. At the same time, the conference registration fee will be waived.

APIAR is also delighted to announce that registration fee will be waived for the four best paper winners to participate in the next conference.

The prize is non-negotiable and no monetary alternative will be available.

ASIA PACIFIC INSTITUTE OF ADVANCED RESEARCH

Nurturing knowledge without boundaries

The First **ASIA PACIFIC** Conference on Contemporary Education (APCCE-2017)

7th and 8th of July 2017

Education Development Centre
4 Milner St, Hindmarsh
South Australia 5007, Australia

Welcome to APCCE -2017

The 1st Asia Pacific Conference on Contemporary Education (APCCE -2017) will be held on 7th and 8th of July 2017 in Adelaide, Australia. The main theme of this conference is 'Education for Change'. The conference will cover every topic from the area of Education. Internationally-recognized scholars will participate in the event to present their latest research and best practices.

SPECIAL ATTRACTIONS

All of the accepted papers (i.e., high standard) will be published (i.e., conditions apply) without any extra fees in the following online journal:

Asia Pacific Journal of Contemporary Education and Communication Technology (APJCECT) (ISSN: 2205-6191)

PUBLISH WITH 'B' RANKED JOURNALS

In a venture to reinforce its support to academics and researchers, Asia-Pacific Institute of Advanced Research (APIAR) is pleased to inform you of a new agreement to publish high-quality conference articles in the following journal:

- International Journal of Continuing Engineering Education and Life-Long Learning (ISSN: 1741-5055)

All accepted conference articles from the 1st Asia Pacific Conference on Contemporary Education (APCCE -2017) will be checked against the rigorous criteria set by this journal, and articles meeting the requirements will be published in special issues of the journals.

BEST PAPER AWARDS

APIAR recognises outstanding contributions to research. There are four Best Papers awards for four streams. Best Papers are judged both on the merits of the written document and on the quality of their presentation at the conference. The awards serve to acknowledge the authors who receive them as leading researchers in Business, Education, ICT and Social Sciences. The awards also provide an incentive to authors to produce high-quality papers and present them in a lucid and compelling manner.

APIAR Best Paper Award recipients are selected through a two-prong process. The first step is a review of the full-length papers accepted for the conference. Review committee members of the conference rank these papers according to quality, relevance and originality, to determine the finalists for each award category. While selection as a finalist for an APIAR Best Paper Award is a notable achievement in itself, winners are then chosen from the finalists, according to the quality of their presentations. Presentation quality is judged according to the audience feedback collected at the conference.
