

ABOUT SYDNEY

Sydney is Australia's largest city and its uniquely vibrant culture sees it buzzing day and night.

With big-city shopping, some of Australia's best dining experiences, historic landmarks and beautiful beaches, the Harbour city is an iconic destination for tourists and is the perfect place to live for locals! Here's a list of things to do in Sydney to get you started:

- The Sydney Opera House
- Climb the Harbour Bridge
- Cruise on Sydney Harbour
- Visit the Blue Mountains
- Visit Bondi
- See live music
- Sydney Tower
- See Sydney From Above
- Skyline Drive-In Blacktown

RESEARCH COLLABORATION

APIAR is keen to build research collaboration with academics of proven research backgrounds. We welcome academics who have already published in top-ranked journals to submit their research proposal (500 words maximum) for further consideration. Ideally, research problem(s) and methodology as well as theoretical and practical contributions, should all be mentioned in the proposal. We are looking forward to receiving research proposals from top-notch researchers.

APIAR SCHOLARSHIPS:

APIAR is delighted to announce a competition for best papers.

Entries will be judged on the quality of the paper, including the presentation. Only registered participants in the conference are qualified to apply.

The winner(s) will receive the conference registration fee waived for the very next conference organised by APIAR.

The prize is non-negotiable and no monetary alternative will be available.

ASIA PACIFIC HANDBOOK
OF CONTEMPORARY
RESEARCH

Vol. 1 2017
ISBN: 978-0-648111-7-285

has already been published...

'Asia Pacific Handbook of Contemporary Research' is a thorough collection of academic research on different areas. Please submit your book chapter to be included in the volume, 2. Details can be found on our website.

We invite you all to participate in our future conferences where you can :

- 1 Strengthen your professional ties: this may lead to publications and job opportunities – an invaluable opportunity for post-PhD professionals.
- 2 Receive feedback and constructive critique on your ideas: benefit from the audience engaging with your content rather than focusing on your punctuation and references.
- 3 Refine your communication skills: move from your "isolating" research experience to a more collaborative and exchange of perspectives.
- 4 Participate in our conference and publish your research directly through the conference proceedings and journals. Don't miss this great opportunity to get your work out there!

All submitted papers will be peer reviewed and published in the conference proceeding to promote the prominent (and emerging) voices within your field of research.

SPECIAL ATTRACTIONS

All of the accepted papers (i.e., high standard) can be published (i.e., conditions apply) without any extra fees in the following online journals:

- Asia Pacific Journal of Advanced Business and Social Studies (APJABSS) (ISSN: 2205-6033)
- Asia Pacific Journal of Contemporary Education and Communication Technology (APJCECT) (ISSN: 2205-6191)
