Abstract

This research was undertaken in response to a Memorandum of Agreement (MOA) among stakeholders involved in Project REHAB (Reformative Enhancement for Holistic Advancement of Beneficiaries). The project was initiated by the Parole and Probation Administration Region VI (DOJ-PPA) as proponent and the Department of Labor and Employment (DOLE) as provider of funds. The involvement of the Graduate School of PHINMA University of Iloilo centered on providing technical assistance in coming up with a research component of the project, particularly in relation to project evaluation.

The project beneficiaries were probationers, parolees, and conditional pardonees undergoing community-based rehabilitation under the supervision of field offices of DOJ-PPA Region VI, based in Iloilo City, Philippines.
