

ABOUT ADELAIDE:

Adelaide offers all the advantages of a cosmopolitan city without the problems of a very big city. The Mediterranean climate, ease of access, affordable entertainment, high-quality accommodation and excellent shopping, are among the attractions that made conference delegates name Adelaide as "the perfect conference city".

Adelaide presents the perfect opportunity for relaxation and enjoyment. Here, you can discover the local gourmet cuisine and famed regional wines as well as enjoying a range of social events and adventure trips. The unique wildlife parks, clean and beautiful beaches, the vibrant cafés, great dining, the riverboats and dolphin cruises all make Adelaide an excellent holiday destination for all ages.

The city provides the ideal opportunity to pursue your professional development and, at the same time, to enjoy everything the city has to offer at GCHTSM-2019.

We invite you all to participate in our conferences where you can :

1- Strengthen your professional ties: this may lead to publications and job opportunities – an invaluable opportunity for post-PhD professionals.

2- Receive feedback and constructive critique on your ideas: benefit from the audience engaging with your content rather than focusing on your punctuation and references.
