ASIA PACIFIC INSTITUTE OF
ADVANCED RESEARCH

Nurturing knowledge without boundaries

Online Conference via Zoom

4th

**Online Conference
on Multidisciplinary
Academic Research
(OCMAR-2021)
Australia**

We invite you all to participate in our future conferences where you can :

- 1 Strengthen your professional ties: this may lead to publications and job opportunities – an invaluable opportunity for post-PhD professionals.
- 2 Receive feedback and constructive critique on your ideas: benefit from the audience engaging with your content rather than focusing on your punctuation and references.
- 3 Refine your communication skills: move from your “isolating” research experience to a more collaborative and exchange of perspectives.
- 4 Participate in our conference and publish your research directly through the conference proceedings and journals. Don't miss this great opportunity to get your work out there!

All submitted papers will be peer reviewed and published in the conference proceeding to promote the prominent (and emerging) voices within your field of research.

SPECIAL ATTRACTIONS

All of the accepted papers (i.e., high standard) can be published (i.e., conditions apply) without any extra fees in the following online journals:

- Asia Pacific Journal of Advanced Business and Social Studies (APJABSS) (ISSN: 2205-6033)
